PERSONDY FIELD

Repair work

Experienced stone worker required to repair the boundary walls on the Dyffryn Road side and the Mardy Lane side (dry stone walling.)

Persondy Field is a historic monument so care must be taken to blend the repairs in. Stone local to the field must be used to complete the work.

The Dyffryn Road side needs repairs along some third of it's length.

The Mardy Lane side needs drystone walling along about 20ft near the gate.

Tenders invited: Written tenders in a sealed envelope, with 'tender' written on the front, to Sue Dale at the above address or by email, by 6pm, 29th March 2022. Thank you.

S Dale
Clerk to Llangynidr Community Council
